News letter
Year 5 volume 6

Dear Friends,

2019 is coming to an end.

With the help of some of the kids from elementary school 't Baken and some friends of the foundation, the area of both monuments were refreshed.

Due to the integration of three schools, Odulfus, Joris and 't Baken, the new school will be called Child Centrum, in the Heart of 't Hout.

The adoption for the 2019-2020 season has been taken over by group 7 of OBS 't Hout.

This year was mainly focused on 75 years of freedom. September was the month this was celebrated.

Start of the festivities was at nursing home Alphonsus.

The school children received a presentation in the Geseldonk. We also visited the War Cemetary in Mierlo that was damaged by paint.

The parade of 125 authentic war vehicles was one of the highlights in the week of all festivities.

The afternoon with the elderly, the church service, the freedom concert by the Band of Liberation and the remembrance Sept 22nd were the other events that week. Lastly not to forget the exposition in the Geseldonk that was open for all during this period.

As board, we can look back at a great and successful event, that had a 2,5 year preparation to celebrate 75 years of freedom.

We again would like to thank everyone who contributed to this event. Without you this would not have been possible!

Another monument.

The four items that we covered this year were;

- Monument partisans Horst / America
- Information sign Zuid-Willemsvaart “Operation Chastise”
- Freedom monument Mierlo
- 75th remembrance D-Day “Operation Overlord”

We also would like to thank the relatives of the deceased, who presented the flowers near our monument. We are thankful for this gesture.

We would like to wish you happy holidays and a good and healthy start into 2020.
