1<sup>st</sup> Year Volume 1  
September 2015

Dear "Friends of HMMH"

With pride we present you the first volume of our newsletter.

The Foundation's board has started organizing the festivities for the 22<sup>nd</sup> of September 2015.

Again this year we will have family members of one our fallen liberators attending this memorable day. This is the family of Phillip Davies from Wales, Great-Britain.

Primary school "OBS 't Hout" has advised us, they would like to adopt the remembrance monument in 2015 with pupils 11-12 years of age.

These children will not be forgotten in the program that day.
