

Foundation Herdenkingsmonument Mierlo-Hout

News letter

1st volume No.2

October 2015

Dear friends,

The first remembrance organized by Foundation HMMH is a fact. Unfortunately the weather did not cooperate this remembrance day, however our guests from England were very satisfied with how they were welcomed and with the program during the 3 days they visited us.

Their high light of the program was the visit to the grave of their beloved Phillip Davies.

The presence of the Sherman tank, after 71 years, was a great addition to this remembrance day. Next to that, the guild "St. Antonius Abt Mierlo-Hout " and the children of OBS 't Hout were welcome guests at this remembrance.

Last but not least, we would like to thank the invited guests, a delegation of the town council and all other people who joined us this liberation commemoration.
