

Foundation Herdenkingsmonument Mierlo-Hout

## News letter

1st volume No.3

December 2015

Hello friends,

**2015 is almost coming to an end.**

**For us as a foundation a memorable year.**

**May 7th we started by having our first meeting and we officially registered at a notary.**

**After this registration we could go public as a foundation, which we did during our first participation of the OVMH-fair.**

**At this fair we received a lot of positive feedback, especially regarding the location and surroundings of the remembrance monument .**

**A gardener volunteered to supply all materials we need to keep the garden of the monument as it is now.**

**Some visitors of the fair became Friends of the foundation and some are thinking about becoming one.**

**The sale of flower seeds was successful, these are seeds from the flowers we have planted in the garden of the remembrance monument.**

**The sale started by children from the Odulphus School during a PTA meeting, we are thankful for that.**

**Unfortunately the remembrance itself, September 22nd, was very wet; the only thing we cannot control as board of the foundation.**

**However the Sherman tank, present again in Mierlo-Hout after 71 years, at the remembrance did make it special.**

**By involving the children of Mierlo-Hout, we hope that the remembrance will continue each September 22nd for many more years.**

**OBS 't Hout was the first school inclined to adopt the monument.**

**The visit of the school children to the military cemetery in Mierlo, taken there in old military vehicles, made a big impression on them.**

**They were accompanied by our guests from England, Mr. And Mrs. Davies and their grandson Steffen.**

**And a happy New Year**
